

In perfect harmony

We'd like to build the world a home and furnish it with love.

La Lumière

This year, we invite you to help us do just that.

At Raphael Village, we believe in creating a world where everyone feels welcomed, valued, and supported—a world that feels like home. With your help, we can grow something lasting and beautiful—like apple trees and honey bees—rooted in community, care, and connection.

This year's annual giving campaign is about more than meeting a goal — it's about echoing a message of love and unity that never goes away.

When you give, you help us teach the world to sing in perfect harmony — through arts, inclusion, education, and community-building.

Put your hand in our hand — let's begin today.

Together, let's create something real, something lasting...

Because what the world wants today — and what our community needs — is what we can build together.

Your support builds more than just programs.

It builds harmony.

It builds peace.

It builds a place where every voice is heard and every hand is held.

Help us furnish the world with love — your gift makes it real.
